## ABOUT

I am a web designer and developer fluent in HTML5, CSS3, and responsive architecture. I have experience working directly with clients to build modern web sites.

I am passionate about all things design. I am always learning, and pushing myself to be better, more knowledgeable, and better able to innovate for my clients.

## RELEVANT EMPLOYMENT HISTORY

### Freelance - Photographer, Web Designer, Graphic Designer

Baudler Art & Design, MN (2004-Present)  
| Web Design | Front End Development | Graphic Design | Photography

**Contractor - Front End Developer** Schwans Home Service, MN (11/15-1/16)  
| Front End Development

"At Schwans I built landing pages, coded direct email pieces, & updated the web content at Schwans.com."

**Full Time - Web Designer** Schweiss Doors, MN (6/15-7/15)

| Web Design | Social Media Marketing

"At Schweiss I developed and implemented a strategy that in one month was able to increase the company's social media following from less than 100 to over 4,000 across Facebook, Twitter, Google Plus, LinkedIn, and Pinterest."

**Full Time - Web Designer** Herald Journal Publishing, MN (7/13-6/15)

**Full Time - Graphic Designer** Herald Journal Publishing, MN (9/06-6/15)

| Web Design | Web Development | Online Presence Management

| Graphic Design | Photography

"The last 2 years with HJP were spent in the Web Department. There I maintained existing client websites, as well as working directly with clients new and old to develop new websites, and re-develop outdated sites. I built websites from the ground up in code(HTML, CSS, JS, PHP), in Wordpress, and in Magento to provide clients with the best product we could."

**Intern - Sign Maker** Capitol Beverage Sales, MN (6/06-9/06)

| Graphic Design | Production

**Independent Sub-Contractor** S.T.Baudler Services, MN (1996-2000)
